

#### 1. Cultural Events

- Description : Carefully *crafted* for cult enthusiasts as well as novices.
- Details: With a range of cultural events, we want to encourage each and everyone who comes to Petrichor to open up their hearts and let go of their fear and at least take part in one of them and embrace their persona. As for enthusiasts, rest assured, we have the stage and competition in store for you! So, come visit us and have *an experience etched* in your memory.

#### 2. Technical Events

- Description : *Technocrats, Unite!*
- Details : Petrichor brings to you a plethora of technical events for all the budding engineers and innovators to showcase their technical prowess. As an institute of technology, we whole-heartedly welcome any and all tech enthusiasts and hope *all of us can learn from each other* at the same time!

#### 3. Workshops

- Description : Because knowledge is *best acquired hands-on!*
- Details : At Petrichor, we believe that *quality knowledge is a right for everyone*. Hence, we make sure that the workshops provided at Petrichor are as good as they can be and that participants get full hands-on knowledge along with the theoretical knowledge.

#### 4. Social Initiatives

- Description : Because engineering, after all, is about *helping in making people's lives better!*
- Details : As an institute and at Petrichor, we have extended our hands to *help our society not only as engineers but beyond*. Our recent social initiatives include donation of books to the needed and helping the society in this much-needed time amidst this pandemic.
